**Hotel Victoria
Klaipėda, Lithuania**

LKD
Lithuanian Society of Coloproctologists

SOCIETAS INTERNACIONALIS UNIVERSITARIA CHIRURGICUM COLONIC ET RECTI

09.00–09.15	OPENING SPEECHES – Mayor of Klaipeda city <i>Arvydas Vaitkus</i> ; Director of Klaipeda University Hospital <i>Audrius Šimaitis</i> ; President of the Lithuanian Society of Coloproctologists <i>prof. Narimantas Evaldas Samalavičius</i>
	BASIC SESSION <i>Moderators: Eric Dozois, Narimantas Evaldas Samalavičius.</i>
09.15–09.30	<i>William Perry</i> (Mayo Clinic, Rochester, USA). Diet, the microbiome and colorectal cancer
09.30–09.45	<i>Rich Fortunato</i> (Pittsburgh, USA). I know the TNM stage, <i>but not what to do</i>
09.45–10.00	<i>Kristen Rumer</i> (Mayo Clinic, Rochester, USA). Screening and treatment of anal dysplasia-incorporating the new international guidelines into a surgical practice
10.00–10.15	<i>Akram Pourshams</i> (Tehran, Iran). Artificial intelligence in screening and management of colorectal cancer
	CROHN'S DISEASE AND COLORECTAL ENDOMETRIOSIS <i>Moderators: Richard Fortunato, Pranas Šniuolis.</i>
10.15–10.30	<i>Kristen Rumer</i> (Mayo Clinic, Rochester, USA). Surgical management of perianal Crohn's disease – what's new?
10.30–10.45	<i>William Perry</i> (Mayo Clinic, Rochester, USA). Kono-S: technique and outcomes
10.45–11.00	<i>Eric Dozois</i> (Mayo Clinic, Rochester, USA). A novel approach to anal fistula in patients with Crohn's disease using a mesenchymal stem cell coated fistula plug
11.00–11.15	<i>Herman Kessler</i> (Cleveland Clinic, Ohio, USA). Surgical approaches to intestinal endometriosis
11.15–11.30	Coffee break
	TECHNICAL ISSUES <i>Moderators: William Perry, Audrius Dulskas.</i>
11.30–11.45	<i>Herman Kessler</i> (Cleveland Clinic, Ohio, USA). Transverse colon cancer: are there differences depending on location and extent of surgery?
11.45–12.00	<i>Sherief Shawki</i> (Mayo Clinic, Rochester, USA). Right and left intra-corporeal anastomosis: laparoscopic <i>vs.</i> robotic
12.00–12.15	<i>Joaquim Costa Pereira</i> (Braga, Portugal). Topdown approach in laparoscopic right hemicolectomy
12.15–12.30	<i>Joaquim Costa Pereira</i> (Braga, Portugal). Noses surgery of left colon
	MAJOR ISSUES <i>Moderators: Kristen Rumer, Tomas Poskus.</i>
12.30–12.45	<i>Scott Steele</i> (Cleveland Clinic, Ohio, USA). Management of anastomotic leakage
12.45–13.00	<i>Eric Dozois</i> (Mayo Clinic, Rochester, USA). Presacral tumors: how to choose the right surgical technique

13.00–13.15	<i>Eric Dozois</i> (Mayo Clinic, Rochester, USA). Anatomical compartment-based approach to achieving R0 resection in locally recurrent rectal cancer
13.15–13.30	<i>Scott Steele</i> (Cleveland Clinic, Ohio, USA). Colorectal trauma
13.30–14.30	Lunch break
	MISCELLANEOUS <i>Moderators: Scott Steele, Donatas Venskutonis.</i>
14.30–14.45	<i>Rich Fortunato</i> (Pittsburgh, USA). Real-time artificial intelligence used in single-port robotic colorectal surgery
14.45–15.00	<i>Kvasnevskiy Ievgen, Kashtalian Mikhail, Kvasnevskiy Oleksandr</i> (Odessa, Ukraine). Combat colorectal injuries in Ukraine
15.00–15.15	<i>Herman Kessler</i> (Cleveland Clinic, Ohio, USA). Diverticular strictures are low Risk for occult carcinoma: demographics and outcomes of the 150 consecutive resections
15.15–15.30	<i>Sherief Shawki</i> (Mayo Clinic, Rochester, USA). Ta-TME approach beyond rectal cancer
15.30–17.00	ISUCRS PROCTOLOGY SESSION. <i>Moderator Joseph Nunoo-Mensah.</i>
15.30–15.45	<i>Parvez Sheikh</i> (Mumbai, India). High intersphincteric fistula
15.45–17.00	Video based proctology (hemorrhoids, fistula, fissure)
	Hemorrhoids
	<i>Parvez Sheikh</i> (Mumbai, India). Excisional hemorrhoidectomy with methylene blue injection
	<i>Joaquim Costa Pereira</i> (Braga, Portugal). PIPE technique: manual pexy of hemorrhoids
	<i>Joseph Nunoo-Mensah</i> (Cleveland Clinic and Kings College, London, UK). Stapled hemorrhoidopexy (Longo)
	<i>Joseph Nunoo-Mensah</i> (Cleveland Clinic and Kings College, London, UK). THD
	<i>Joaquim Costa Pereira</i> (Braga, Portugal). Laser hemorrhoidoplasty
	<i>Scott Steele</i> (Cleveland Clinic, Ohio, USA). House flap anoplasty
	Fistula in ano
	<i>Parvez Sheikh</i> (Mumbai, India). Fistulotomy with immediate anal sphincter repair for posterior high transsphincteric fistula
	<i>Parvez Sheikh</i> (Mumbai, India). Fistulotomy with immediate anal sphincter repair for anterior transsphincteric fistula in female
	<i>Joaquim Costa Pereira</i> (Braga, Portugal). LIFT
	<i>Richard Fortunato</i> (Pittsburgh, USA). BioLIFT
	Ana fissure
	<i>Parvez Sheikh</i> (Mumbai, India). Lateral sphincterotomy
